Type of Membership for which the school is applying

To best meet the needs of its members, ACAMIS has developed a tiered membership structure. The advantage of either form of membership is the access to other international schools in the school's larger region, networking and professional association as well as member rates for ACAMIS workshops and conferences. Please select the type for which your school is applying:

- **Professional Development Members** – The annual fee for schools participating as professional development members is US \$1600
- **Comprehensive Members** – The annual fee for Schools that choose the Comprehensive Membership including student sports and activities is US \$2000
